THE IMPORTANCE OF READING IS UNDENIABLE

A book is one of the most powerful things in the world, offering you new opportunities to learn, grow and be inspired! Reading helps get the creative side of your brain thinking, unlike television that really does not use much creative brain power. Reading takes us out of that ‘multi-tasking’ mindset that are constantly in. It allows us to really focus on one single thing that we are doing, and be fully present in it.

Interested in grabbing a book for yourself or the whole family? Live Oak Public Libraries is offering Express Holds Pickup service by appointment only, Monday-Friday, 10:00AM to 5:30PM. Library users can place holds on items by logging into their PINES account or calling 912-368-4003.

Until library buildings reopen, please remember:
- You can continue to keep your items. Please do not bring materials to drop off.
- If you do not already have a library card, you can apply for a free library account with digital access to online resources.
- All ages can connect with virtual programming, ready resources, ebooks, audio, movies, and more online anytime at liveoakpl.org.

OUTSTANDING BALANCE/UNPAID RENT

Millions of Americans will lose their jobs and unemployment claims are coming in at a very rapid pace. However, a stimulus check was issued by the U. S. government to all qualifying adults. Consider using the extra cash to satisfy unpaid rent and/or repayment agreements. Effective May 1, 2020 the process will begin to collect unpaid rent and/or outstanding balance for repayment agreements. All residents with outstanding balances will be issued a notice. Please make every effort to satisfy unpaid rent and/or repayment agreements before you receive a notice.

WORK ORDERS

Hineshouse Property Management and Maintenance Services (HPMMS) will continue to practice social distancing to ensure that we protect our residents, their family members, and staff during this pandemic. Effective May 1, 2020, staff members will wear protective gear which include a mask and gloves when entering the unit. Residents and family members will not be allowed in the same room with staff members while work orders are completed. Your cooperation will be greatly appreciated.

HOUSE RULE - SECTION 6

Per our House Rules Section 6, paragraph (P) states: No outdoor grills, fire pits or open fires are permitted on the property.

House Rules are necessary to define acceptable activities and behavior. Rules are not meant to infringe on the rights of any one resident, but to protect the rights of all the residents, the property owners, management, grounds and building. Residents who do not comply with these House Rules will be notified, in writing, that they are not in compliance, and that this is a violation of the lease.

Some notices are curable – that is, the household has an opportunity to correct the violation to avoid eviction. However, if a violation notice has been issued for the third time for any particular infraction it will be a non-curable notice that constitutes “repeated minor violations” and will be grounds for eviction.

**2020 Hurricane Guide**

**Now/Prepare**
- Sign up for local alerts and warnings. Monitor local news and weather reports.
- Prepare to evacuate by testing your emergency communication plan(s), learning evacuation routes, having a place to stay, and packing a “go bag.”
- Stock emergency supplies.
- Protect your property by installing sewer backflow valves, anchoring fuel tanks, reviewing insurance policies, and cataloging belongings.
- Collect and safeguard critical financial, medical, educational, and legal documents and records.

**During/Survive**
- Follow guidance from local authorities.
- If advised to evacuate, grab your “go bag” and leave immediately.
- For protection from high winds, stay away from windows and seek shelter on the lowest level in an interior room.
- Move to higher ground if there is flooding or a flood warning.
- Turn Around Don’t Drown.* Never walk or drive on flooded roads or through water.
- Call 9-1-1 if you are in life-threatening danger.

**After/Be Safe**
- Return to the area only after authorities say it is safe to do so. Do not enter damaged buildings until they are inspected by qualified professionals.
- Never walk or drive on flooded roads or through floodwaters.
- Look out for downed or unstable trees, poles, and power lines.
- Do not remove heavy debris by yourself. Wear gloves and sturdy, thick-soled shoes to protect your hands and feet.
- Do not drink tap water unless authorities say it is safe.

**WATCHES AND WARNINGS**

The National Weather Service (NWS), part of the National Oceanic and Atmospheric Administration (NOAA), issues alerts when weather conditions make hurricanes more likely. Know the terms used to describe changing hurricane conditions and be prepared to take appropriate action.

**Tropical Storm or Hurricane Advisory**—The NWS issues an Advisory when it expects conditions to cause significant inconveniences that may be hazardous. If caution is used, these situations should not be life-threatening.

**Tropical Storm or Hurricane Watch**—The NWS issues a Watch when a tropical storm or hurricane is possible within 48 hours. Tune in to NOAA Weather Radio All Hazards, local radio, TV, or other news sources for more information. Monitor alerts, check your emergency supplies, and gather any items you may need if you lose power.

**Tropical Storm or Hurricane Warning**—The NWS issues a Warning when it expects a tropical storm or hurricane within 36 hours. During a Warning, complete your storm preparations, and immediately leave the threatened area if directed to do so by local officials.
